Public Question Number 1

CORRECTIONAL FACILITIES CONSTRUCTION BOND ACT OF 1987

Should the "Correctional Facilities Construction Bond Act of 1987," which authorizes the State to issue bonds in the amount of $198,000,000.00 for the purposes of financing the planning, erection, acquisition, improvement, construction, reconstruction, development, extension, rehabilitation, demolition and equipping of State and county correctional facilities; and in a principal amount sufficient to refinance all or any of the bonds if the same will result in a present value savings; and providing the ways and means to pay the interest on the debt and also to pay and discharge the principal thereof, be approved?

INTERPRETIVE STATEMENT

Approval of this act would authorize the sale of $198,000,000.00 in State bonds; at least $45,000,000.00 of which is for financing the construction and improvement of county correctional facilities, and the remaining amount is for financing the construction and improvement of State correctional facilities. The construction and improvement of these facilities is to address the present and anticipated deficit of bed spaces for prisoners sentenced to State and county correctional facilities. The act also authorizes the issuance of bonds in a sufficient amount to refinance all or any of these bonds if the same will result in a present value savings.

Public Question Number 2

GREEN ACRES, CULTURAL CENTERS AND HISTORIC PRESERVATION BOND ISSUE OF 1987

Shall the "New Jersey Green Acres, Cultural Centers and Historic Preservation Bond Act of 1987," which authorizes the State to issue bonds in the amount of $100,000,000.00, of which amount, $40,000,000.00 is allocated for State grants to be awarded on a competitive basis for cultural center projects; $25,000,000.00 is allocated for State grants to be awarded on a competitive basis, and for State loans, for historic preservation projects; and $35,000,000.00 is allocated for State grants and loans to local government units for the acquisition and development of lands for recreation and conservation purposes; and in a principal amount sufficient to refinance all or any of the bonds if the same will result in a present value savings; and providing the ways and means to pay and discharge the principal and interest thereof, be approved?

INTERPRETIVE STATEMENT

Approval of this act will authorize the sale of $100,000,000.00 in State bonds, with the proceeds to be allocated as follows: $40,000,000.00 for State competitive grants for cultural center projects, $25,000,000.00 for State competitive grants and for State loans for historic preservation projects, and $35,000,000.00 for State grants and loans to local government units for the acquisition and development of lands for recreation and conservation purposes. The act also authorizes the issuance of bonds in a sufficient amount to refinance all or any of these bonds if the same will result in a present value savings.

Public Question 3

NEW JERSEY BASEBALL STADIUM BOND ACT OF 1987

Shall the "New Jersey Baseball Stadium Bond Act of 1987," which authorizes the State to issue bonds in the amount of $185,000,000.00 for the purpose of providing funds for the acquisition and construction by the New Jersey Sports and Exposition Authority of a major league baseball stadium located in the State, the ownership thereof to be conveyed to the State upon completion, and to be operated by the Authority pursuant to a lease or other agreement with the State, including the land necessary for the stadium and land necessary for other projects of the authority which may be constructed on the site of the stadium; and in a principal amount sufficient to refinance any of the bonds if the same will result in a present value savings; and providing the ways and means to pay the interest on the debt and also to pay and discharge the principal thereof; and which prohibits the issuance of these bonds until a commitment is obtained from a major league baseball team to locate in the State, to use the words "New Jersey" as part of the team name, and use the baseball stadium for its home games, be approved?

INTERPRETIVE STATEMENT

Approval of this act would authorize the sale of $185,000,000.00 in State general obligation bonds to provide funds for the acquisition and construction by the New Jersey Sports and Exposition Authority of a major league baseball stadium to be located in the State, the ownership of which is to be conveyed to the State upon completion and operated by the authority, including the land necessary for the stadium and land necessary for other projects of the authority which may be constructed on the site of the stadium. These bonds may not be sold until a commitment is obtained from a major league baseball team to locate in the State, to use the words "New Jersey" as part of the team name, and use the baseball stadium for its home games. The act also authorizes the issuance of bonds in a sufficient amount to refinance all or any of these bonds if the same will result in a present value savings. The construction and operation of a baseball stadium will create jobs and produce additional revenues for the State.

Public Question Number 4

USE OF 1981 FARMLAND PRESERVATION BOND MONEYS FOR PURCHASE OF FARMLAND AND DEVELOPMENT EASEMENTS ON FARMLAND FOR PRESERVATION PURPOSES

Shall the amendments to the "Farmland Preservation Bond Act of 1981," (P.L. 1981, c. 276), authorizing the State Agriculture Development Committee to use farmland preservation bond moneys to purchase fee simple absolute titles to farmland for resale with agricultural deed restrictions for farmland preservation purposes and to increase the proportion of the purchase costs of farmland development easements on which preservation bond moneys may be spent from 50% to 80% generally and 100% under emergency conditions, be approved.

INTERPRETIVE STATEMENT

Approval of these amendments would provide authorization for an additional use of the 1981 Farmland Preservation Bond moneys by permitting the State Agriculture Development Committee to purchase fee simple absolute titles to farmland for the purpose of preservation of farmland for agricultural use and production and to increase the maximum proportion of the purchase costs of farmland development easements on which preservation bond moneys may be spent from 50% to 80% generally and 100% under emergency conditions.

Public Question Number 5

USE OF 1980 PUBLIC PURPOSE BUILDINGS CONSTRUCTION BOND MONEYS FOR THE MENTALLY ILL

Shall the $10,000,000.00 bond authorization remaining unappropriated from "New Jersey Public Purpose Buildings Construction Bond Act of 1980," P.L. 1980, c. 119, that was originally designated for the creation of a loan guarantee fund, be redesignated to allow the Department of Human Services to construct and improve facilities for the mentally ill, be allowed?

INTERPRETIVE STATEMENT

Approval of this act will authorize a different use for $10,000,000.00 in bond funds which were originally authorized by the voters in 1980 for the purpose of creating a loan guarantee fund to encourage the development of nursing homes. The $10,000,000.00 was not used for this purpose because it was determined that with lower interest rates and the availability of alternative sources of financing, the creation of a State loan guarantee fund was not necessary. This act would redesignate the $10,000,000.00 authorization to permit the Department of Human Services to construct and improve facilities serving the mentally ill.
